OTTERY ST MARY MEDICAL TRUST

Established in 1990 to receive donations and bequests on behalf of the surgery, from patients and their families in acknowledgement of the care and services received from doctors, nurses and support staff at the Coleridge Medical Centre. The Trust provides a facility to receive financial donations to the Practice which can be used to fund specific purchases to assist and enhance the care of patients.

The GP Partners of the Coleridge Medical Centre are Trustees, and the Trust is administered by an administrator and regulated by the Charity Commissioners.

The Trustees consider all requests for purchases to ensure that they meet the criteria set out in the Trust deed before giving approval. Funds are used to purchase specific items of equipment or services which are not generally provided by the NHS.

Donations are always welcome and can be made by sending your donation to our registered address, contacting the Trust Administrator or any of the Trustees.

All purchases are considered in terms of their potential benefit for patients and users of the Coleridge Medical Centre

The following list gives examples of purchases made in recent years:

- ◆ Vitalograph – for breathing assessments
- ◆ Resuscitation equipment
- ◆ Nebulisers – for patients with asthma
- ◆ Vaccine fridges
- ◆ Foetal heart detectors
- ◆ High seated chairs for the waiting room
- ◆ Syringe drivers – used in terminal care
- ◆ Neurothesiometer- for diabetic care
- ◆ Additional equipment for Branch Surgeries
- ◆ Home blood pressure monitors
- ◆ Patient education leaflets
- ◆ Health education display software
- ◆ Waiting room blood pressure monitor
